## Publications

### Invited Journal Articles

Wren, T. (in press). Making Rare Magic. *Theatre Design and Technology*, 59(4), 3 pages.  
Electrical details for 2023 Prague Quadrennial USA International Touring Exhibits.

## Presentations

### Invited Presentations at Conferences

Lile, J., & Wren, T. (presented 2023, June). *The Prague Quadrennial 2023*. Presentation at The Prague Quadrennial 2023, USITT, Prague, Czech Republic. (International)

Served as a member of the USA exhibit installation team overseeing all power and control systems for both the National and Emerging exhibits. The PQ is an international festival presented every four years showcasing artworks from dozens of countries from hundreds of artists curated by an international PQ team.

Lile, J., Wren, T., & Vintu, T. (presented 2023, April). *Building the Prague Quadrennial 2023 Exhibition*. Presentation at United States Institute of Theatre Technology, USITT, St. Louis, MO. (National)

Panelist on a discussion of the budgeting, construction, and wiring of the USA Exhibits for the PQ2023. The PQ is an international festival presented every four years showcasing artworks from dozens of countries from hundreds of artists curated by an international PQ team.

Douglass, R., Wren, T., & Copenhaver, L. (presented 2023, April). *Fostering Stronger Communication and Collaboration in the Digital Scenic Design Process*. Presentation at United States Institute of Theatre Technology, USITT, St. Louis, MO. (National)

Panelist on a discussion to improve collaboration of digital scenic designs with lighting designers and technical directors.

Wren, T. (presented 2023, March). *Maximizing your LED's color potential*. Presentation at Southeastern Theatre Conference - 2023, SETC, Lexington, KY. (National)

SETC is the largest theatre conference in America. An introduction to LED color space and examination of the limitations of RGB sources. Demonstration of advanced 7 and 8 color LED engines to improve color rendering. Workshop presented to professionals, academics, and students.

Wren, T. (presented 2022, March). *Lighting Console Optimization*. Presentation at Southeastern Theatre Conference - 2022, SETC, Memphis, TN. (National)

SETC is the largest theatre conference in America. Workshop detailing strategies to organize light consoles to improve programming efficiency presented to professionals, academics, and students.

## Workshops Presented

Wren, T., & Kim Daejin. (2025). *Color Changing LEDs in Architectural Lighting Design*. FSU Department of Interior Architecture & Design.

Wren, T., & Pable, J. (2024). *Color Changing LEDs in Architectural Lighting Design*. FSU Department of Interior Architecture & Design.

## Exhibitions

### Juried Exhibitions

Wren, T. (2025, March). *Color Documentation* [Poster Session]. Columbus, OH: United States Institute of Theatre Technology (USITT).

Poster evaluates LED fixture color output using a high-fidelity light meter to identify X/Y position on CIE 1931 spectral graph and uses this data to transfer color to other lighting fixtures. Propose a universal color naming strategy for archival documentation.

### Non-Juried Exhibitions

Lile, J., & Wren, T. (2022, August–2023, June). *Prague Quadrennial* [Conference Exhibition]. Prague, Czech Republic, USITT.

Budgeted, engineered, and installed power distribution and light system for the USA exhibits at the 2023 Prague Quadrennial.
